## ABOUT THE STATE.

### Items of Interest Gleaned from Our Exchanges.

Gov. Bell has appointed the state bridge commissioners as follows: Gilbert J. Davis of Windsor, George L. Ford of Kirby and J. C. Seaver of Washington, Orange county.

The vacancy in the staff of Col. A. V. N. G., of Rutland, caused by the resignation of First Lieut. A. J. Hayes, who has gone to Panama, was filled Tuesday night by the election of Second Lieut. H. N. Eastman to that position. First Sergeant R. S. Rowe was elected second lieutenant.

A meeting of the Endowment Fund Committee of the Associate Alumni of the University of Vermont was held at the office of Darwin P. Kingsley, '81, New York Life Building in New York on Friday morning, May 13th. The work of the year thus far was reported and discussed and plans for the further progress of the fund were made. This committee is composed of the following prominent alumni of the College: Charles A. Catlin, '73, Providence, R. I., Chairman; John H. Converse, '71, Philadelphia; Elsie Lyman, '70, Burlington; Henry W. Hill, '76, Buffalo; Professor Horatio Loomis, '76, New York; Dr. F. T. Kidder, '80, Med. '83, Woodstock; Eugene N. Oss, '81, Boston; Darwin P. Kingsley, '81, New York. In addition to this committee there is an advisory board consisting of President Buckham, '51, Treasurer E. H. Powell, '64, and Professor George E. Howes, Secretary of the Committee.

### Keeps Commissioners Busy.

The Burlington board of license commissioners find that they have their hands full in keeping licenses, and the commissioners of other licensed towns in the county notified of the paupers, people who have been convicted of intoxication, etc., in the city. The new liquor law requires that the board of license commissioners in each town shall furnish all the licensed liquor sellers in their town and the commissioners in other licensed towns in their county with the names of all persons convicted in all courts of intoxication within six months of April 1, also keep them notified of all convictions for intoxication after the law becomes operative, the names of all paupers and persons against whom notice has been made not to sell them intoxicants. Burlington, having a large pauper list and quite a population of fellows who are getting into court for drunkenness, furnishes the commissioners with quite a bit of work in this line, as 24 lists of persons warned against have to be sent out.

### Death From Blood Poisoning.

John Hatch, Sr., of Randolph, died Monday at his home on Central street after suffering for several months, the immediate cause of his death was blood poisoning, the result an injury received several months ago. Mr. Hatch was over 70 years of age and spent the greater part of his life in Randolph. He served with Company G, 8th Vermont regiment, in the Civil War and was a member of the U. S. Grant Post, No. 96, and in this order he was honored with the office of commander. Mr. Hatch was a kind and genial man with many friends who will mourn the loss of a respected citizen and comrade. He is survived by his wife and seven sons, George, Fred, Edwin, Adrian, John, and Logan Hatch of Randolph and David Hatch of New York city, and four daughters, Mrs. Lucy Brown of Holyoke, Mass., Mrs. Ben Thayer, Mrs. Frank Fish and Miss Luna Hatch of Randolph.

### Votes to Incorporate.

At the annual school meeting of the Milton graded school district, held Tuesday evening at the school house, the following officers were elected: Moderator, J. K. Smith; clerk, G. N. Wood; treasurer, E. A. Frost; trustee, for three years, A. B. Ashley was elected to succeed himself; auditors, G. A. Pratt, H. H. Beaman, the Rev. E. E. Herriek. A tax of 50 cents was voted.

After the school meeting a meeting was held to see whether the village should accept the charter granted several years ago by the Legislature. After the charter had been formerly discussed a vote was taken which resulted in 34 against 43 for incorporation. The meeting was adjourned to the evening of June 6, at which time officers will be elected.

## FERTILIZER FREE

FOR THE ASKING.

Farmers, gardeners, florists, seedsmen, greenhouse proprietors, nurserymen—indeed anyone who will send his name on a postal card to C. S. Page, Hyde Park, Vt., and simply say "I saw your advertisement in The Barre Daily Times, send me a sample of your Page's Plant Food"—will receive a sample promptly free, postpaid. From what we know of the reputation of Mr. Page we are inclined to believe that his Plant Food is an article of genuine merit, and when you note the ingredients—and he will send them to you with the mail sample—you will see that the ordinary impositions that are too often practiced upon the farmers under the head of "Fertilizers" do not exist in Page's Plant Food. Address C. S. Page, Hyde Park, Vt.

## HAIR NATURALLY ABUNDANT.

When it is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Neuro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Essex Junction, Again.

The commercial travelers think they have a good joke on M. C. Powers of Burlington. He, in company with a few of his fellow drummers, drifted into Essex Junction Tuesday night. Mr. Powers wanted to come to Burlington but after riding about a mile discovered that he was on the St. Albans train. The conductor was very obliging and stopped the train and allowed him to get off. He made a record run back to the Junction in time to get the proper train home.

### Celebrated 99th Birthday.

Monday, May 15, was the ninety-ninth birthday of Aunt Polly Gray, and, as she is very fond of children, the pupils of the Mosquito District, in Lyndon school marched, with their teacher, to her home, where they were received by her son and wife. Mr. and Mrs. Gilbert Gray; Aunt Polly being seated in the doorway.

The children sang several songs, and marched by her, each bearing a large bouquet of flowers which they place in her lap. After singing a farewell song and wishing her many happy birthdays, they marched back to their school work.

### Saved by Dynamite.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long you feel as if nothing but dynamite would cure it. Z. T. Gray of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and la grippe. At the Red Cross Pharmacy. Prices, 50c and \$1.00. Trial bottle free.

### About Making Gardens.

There is nothing better than pure ground bone in making gardens. A teaspoonful in a hill is a permanent benefit, lasting all summer. Enclose \$3.25 in check or postal money order, or in a registered letter, and a trial barrel will be shipped to you promptly. If you don't need it all divide it with your neighbors. We publish a little booklet showing how to use ground bone as a fertilizer in gardens and in greenhouses and to promote the growth of your flowers and shrubbery. Send your name on a postal card and it will be sent to you free by return mail. C. S. Page, Hyde Park, Vt.

James M. Perry, Executor of the Last Will and Testament of Theresa A. Camp, late of the City of Barre, in said District, deceased, makes application to said Court for license to do to said Theresa A. Camp, in said District, certain real estate of said deceased, situated in said City of Barre, to wit: Being a piece of land now in the possession of said Clyde W. D. 1905, for hearing and decision thereon; and it is further ordered, that all persons interested be notified hereof, by publication of notice of said application and order thereon three weeks successively in the Barre Daily Times, a newspaper published at the City of Barre, in this state, and which circulates in the neighborhood of those interested, before said time of hearing, that they may appear at said time and place, and, if they see cause, object thereto.
